## INFORMATION SYSTEMS ENGINEERING STUDENT

---

### About me

I am 24 years old, and I am a student of Information Systems Engineering at the National Technological University at the Universidad Tecnológica Nacional, I am currently taking 4th year courses.

I consider myself responsible, punctual, able to work in a team but also to face individual challenges and always ready to learn new things.

Currently, I am looking for my first job, and I am eager to start developing my professional career and to acquire new knowledge.

---
